In 1860 the Public debt was \$64, 50,703,08 and in 1868 we owe \$2,510, 245,886,74.

In 1860 no person paid Internal Revenue, in 1868 there is a sum assessed upon us equal to \$8,46 for each of our inhabitants.

In 1860 the people paid from all sources revenue per head \$2,46, and right robbery? now we paid for the year ending June lst, 1868, \$35.95,

The total expeneitures for the year 1860, under Democratic rule, for each person was \$2,46, and in 1867, under Radical principles of reform, we pay \$34,77.
